

PRESS RELEASE

Chemistry Consulting Group Opens New Offices in Nanaimo and Campbell River

Victoria, BC: Chemistry Consulting Group Partners Frank Bourree, Christine Stoneman and Charles Shier are pleased to announce the opening of two new offices in Nanaimo and Campbell River, BC effective May 28, 2007.

Chemistry Consulting Group, together with our subsidiary firm, GT Hiring Solutions, has 10 offices and 35 staff located on Vancouver Island and the Lower Mainland. We provide business consulting, HR consulting and staffing services and opening new offices in Nanaimo and Campbell will enable our staff to better meet the needs of our clients in these growing communities.

“We are delighted that our growth has been very positive since establishing our new consulting practice” notes Frank Bourree. “We are also proud that in 2006 GT Hiring Solutions was awarded recognition of one of the Top 30 Places to Work in Canada, by Canadian Business Magazine.”

With the continued need to address the skills and labour shortage in all sectors of the economy, Chemistry Consulting has a need for additional space in order to provide full consulting and HR services to our clients and employers. The new offices will provide support for the www.roomservicecanada.ca recruitment service. RoomServiceCanada is delivered by Chemistry Consulting on behalf of the BC & Yukon Hotels' Association, bringing Filipinos into BC under the Temporary Foreign Worker program to address the need for skilled hotel staff in hotels and restaurants across BC.

For more information about Chemistry Consulting Group, visit our web site at www.chemistryconsulting.ca or contact Frank Bourree (CMC), Principal at 250.382.3303 ext 208.
