

# VICTORIA TOURISM BULLETIN

## October 2020

- October continued to see a weekend pattern where regional travel took place as short getaways. There was modest business, but the revenues were helpful to businesses who continue to be negatively affected by Covid-19.
- We would like to tip our cap to the tourism operators that have demonstrated that they are able to operate safely through investments in adaptation, safety, and hygiene and cleanliness.
- On December 9th, the Tourism Task Force presented its final report to the Minister of Tourism, Arts, Culture and Sport, Hon. Melanie Mark, with a series of recommendations to support businesses and the workforce and maintain confidence in travelers and communities. Read about the Task Force's Final Report [here](#).
- Among the world's leading travel, tourism, and hospitality brands, the Thompson Okanagan Tourism Association was named the 2020 World's Responsible Tourism Award Winner for the third consecutive year at the 27th Annual World Travel Awards. [Read more here](#).

All international source markets, most business travel, conference, leisure travel, cruise and international tour and travel business has been lost for the foreseeable future. As a result of these extraordinary circumstances year over year comparisons are immaterial. Also, please note that due to the impacts of Covid on hotel operations, the room inventory of reporting hotels is fluctuating from month to month and may impact year over year comparisons.
