

COLLABORATION CULTURE

June HR In-Brief

Creating a Collaboration Culture Through Leadership Effectiveness and Data

By Vivo Team Development

"In today's technology-driven world, data is no longer just a tool for operational efficiency or market analysis. It has become an invaluable asset for increasing leader effectiveness and team collaboration. While traditional leadership development content offers useful tools and strategies, integrating data into the equation can transform decision-making, foster stronger team alignment, and drive productivity even more..."

More about Vivo Team Development:

Vivo Team is a tech-driven learning and development company providing leaders and teams with the skills, analytics, and insights they need to succeed. This results in increased engagement and productivity—and the data to prove it!

From Silos to Synergy: Building a Collaborative Team Environment

By Chemistry Consulting Group

"At Chemistry Consulting Group, we understand that fostering a truly collaborative workplace culture doesn't happen by accident. It's the result of intentional leadership, open communication, and a shared sense of purpose. In today's fast-paced and interconnected work environments, organizations that prioritize collaboration are often more agile, innovative, and resilient. But how exactly do you build this kind of culture?"

UNEMPLOYMENT STATISTICS

LOCAL, PROVINCIAL, NATIONAL

MAY 2025

The unemployment rate held steady in May at 7%.

Overall, there has been virtually no employment growth since January, following strong gains from October 2024 to January 2025.

Growth in full-time employment was offset by a decline in part-time work.

Unemployment Rate Across Top Canadian Cities

Vancouver, BC	6.4
Victoria, BC	3.7
Kelowna, BC	7.0
Calgary, AB	7.8
Toronto, ON	8.8
